Assessment Roll for the Municipality of

DECLARATION

We, W. H. Waldorf and George Kelly, Assessors of the town of Trenton in the County of Hastings, make oath and say as follows:

1 We have according to the best of our information and belief set down in the above assessment roll all the real property liable to taxation situated in the municipality of Trenton and we have justly and truly assessed each of the parcels of real property so set down at its actual value.

2 We have estimated and set down, according to the best of our information and belief, in said assessment roll, the amount assessable against every person named in the said roll for the purpose of the tax in respect of his trade, business, profession or calling and in respect of his income.

3 We have entered therein the names of all the resident tenants and freeholders, and of all other persons of whose names we are aware or who have required their names to be entered therein, with the true amount of property occupied or owned by each; and we have not entered the name of any person whom we do not truly believe to be a tenant or freeholder, or a bonafide occupier or owner of the property, or in receipt of the income set down opposite his name, for his own use and benefit, or otherwise to be entitled by law to be so entered.

4 According to the best of our knowledge and belief, we have entered therein the name of every person entitled to be so entered, either under the Assessment Act or any other Act; and we have not intentionally omitted from said roll the name of any person whom we know or have good reason to believe, to be entitled to be entered therein under any or either of the said Acts.

5 We have entered in the roll the date of delivery or transmitting of the notice required by section 49 of the Assessment Act; and every such date is truly and correctly stated in the said roll.

6 We have not entered the name of any person at too low a rate in order to deprive such person of a vote, or at too high a rate in order to give such person a vote; and the amount for which each such person is assessed in the said roll truly and accurately appears in the said notice delivered or transmitted to him as aforesaid.

7 We have not entered any name in the above roll, or improperly placed any letter or letters in column 4, opposite any name, with intent to give any person not entitled to vote, a right of voting; and we have not intentionally omitted from the said roll the name of any person whom we believe to be entitled to be placed therein, nor have we, in order to deprive any person of a right of voting, omitted from column 4 opposite the name of such person, any letter or letters which we ought to have placed there.
